Introductory Remarks

Because every client's project poses its own set of unique challenges, it is impossible to compose one solution that completely addresses everyone's specific needs. What we have attempted to do in the following pages is simply provide a glimpse into some of our capabilities.

Techvivid holdings private limited is a full custom services and digital marketing firm. As such, it's our business to quickly adapt to meet our clients' diverse needs.... and we have a proven track record of doing just that

We are always interested in exploring new projects, so if you are interested in discussing your particular development challenges with us, please contact us at

08644 308 576
+263 77 170 0541

We are confident that our staff of experienced professionals can be a valuable addition to your team

WHO WE ARE

Techvivid Holdings is an emerging creative force to reckon with. A full-service agency dedicated to finding authentic solutions to the branding around us, we pride ourselves in originality, innovation and dynamic creative output. We believe in making great products, and giving excellent service. We believe in excelling, pushing the envelope and above all working with companies we believe hold the same aspirations we do.

At Techvivid Holdings we strive to be leaders in our industry, and to deliver the best possible return on investment for our clients. Our team is singular and focused, prioritizing working closely with clients from beginning to end. Using an iterative and client centred approach, design and branding are done methodically, step by step, and in constant consultation.

Whether you are a new business or a established one, Techvivid holdings can help you create an indelible impression on your audiences and prospective clients. A full-service agency offering end-to-end branding solutions, software development, business consultancy, ICT Infrastructure to experimental marketing.

The results? An authentic brand image that fosters loyalty and trust.
